

## In This Child (Simeon & Anna's Song)

*This song is all about the emotions and amazing prophetic fulfilment for both Simeon & Anna as they saw in Jesus the realisation of their hopes & dreams...*

### *Simeon:*

G C D G C D Em  
I have waited all my life For this moment to arrive.  
Am D Bm Em Am Cdim G  
Centuries have come and gone Waiting for the Cho-sen One.  
Am D Am D4 D  
I can scarce believe What my eyes perceive...

### *Chorus:*

G C Em D G  
In this Child I see the Promise In His eyes I see my dreams;  
Am B7 Em Am Cm/A G  
Everything I've waited for In this Child I bow before.

Lord, now let me go in peace. My old eyes have seen release.  
Freedom for the Greek and Jew, glory in the light of You.  
Is it really true? Can this child be You?

### *(Chorus)*

For this child is born to cause some to rise and some to fall.  
Many secrets will be told, and a sword will pierce your soul.  
How my heart is blessed, now my soul can rest.

### *(Chorus)*

### *Anna:*

People of Jerusalem, come and hail the Promised One  
Promise of the ages past, prophecy fulfilled at last.  
Thanks be to The Lord, faithful to His Word.

### *Final Chorus (Simeon & Anna together)...*

G C Em D G  
In this Child I see the Promise In His eyes I see my dreams;  
Em Am D7 G Em Am D7 G  
Now my heart will ache no more; Heaven holds an open door,  
Am B7 Em Am Cm/A G  
Everything I've waited for In this Child I bow before.
